**LOUISVILLE-BASED FACILITIES MANAGEMENT SERVICES  
ACKNOWLEDGED AS BREAKTHROUGH SOCIAL IMPACT BUSINESS**  
*A 2019 Top 100 Impact Company selected by Real Leaders Magazine*

**Louisville, KY, February 27, 2019** As its mission statement specifies, Facilities Management Services pbc (FMS) is not only a leader in the janitorial industry, it's part of a new generation of corporations leading the effort to conduct business in a better way. A caring way; a meaningful way; and a human way, as FMS's recent *Real Leaders Magazine* Top 100 Impact Company Award affirms.

With 850+ employees and continual growth since its purchase by the Koloms family of Louisville in 2001, FMS is the first janitorial service in the world to become a certified B-Corporation, as well as a registered Public Benefit Corporation in Kentucky. Its social programming, often involving non-profits, customers, and the public sector, works toward improving the financial and physical health of employees and their families. As FMS President Scott Koloms states, "We're convinced the path towards sustainable success is through the well-being of our team members and the communities in which they live."

[Real Leaders](#) created the Top 100 Impact Company list, together with Big Path Capital and B Lab, to rank 'the top companies applying capitalism for greater profit and greater good'. "We were very impressed with the quality of applicants who were subjected to a rigorous review process for this first-ever 100 Top Impact Companies Awards," says Mark Van Ness, Founder, *Real Leaders*.

Koloms adds, "We are incredibly honored to receive this award and feel very privileged to be in the company of other positive impact organizations throughout North America that also leverage their business models in favor of financial well-being and employee well-being."

Other Top 100 recipients include national and regional companies EO Products, Network for Good, Schoolzilla, TAOS Ski Valley, Andean Naturals, Forrest Firm, Natural Systems Utilities and

several other companies that espouse a socially impactful way of doing business.

You can learn more about FMS's Real Leaders 100 award in this Facebook Live video featuring President, Scott Koloms: <http://bit.ly/RL100ScottKoloms>.

####

**Facilities Management Services pbc**'s mission is to provide access and opportunity to employees and help their communities thrive through janitorial enterprise, with a focus on financial and physical health. With the ultimate goal to inspire companies in Kentucky and Southern Indiana to adopt business models that include intentional and measurable social impact, along with financial security for the multitude of Kentuckiana janitorial workers and their families, FMS clients include Bellarmine University, Wild Turkey Bourbon, Kentucky Medical Services Foundation Inc., Skanska US Building Inc., and the New Albany Floyd County Consolidated School District amongst others. For further information visit <https://fmspbc.com/>

**Real Leaders Magazine** has been in circulation since 2010 and is the world's first sustainable business & leadership publication. It aims to inspire better leaders for a better world.

**Big Path Capital** has been called "Impact Investing's investment bank" and works with the top sustainable and impact companies and funds.

**B Lab** is a nonprofit that serves a global movement of People Using Business as a Force for Good. Its vision is that one day all companies compete not only to be the best in the world, but the Best for the World® and as a result society will enjoy a more shared and durable prosperity.
