

is here to help.

Facilities Management Services (FMS) is offering COVID-19 preventative sanitization and COVID-19 exposure cleaning per CDC guidelines. We are proud to be a part of Team Kentucky since 1999. For more details, email sales@fmspbc.com or visit our website at fmspbc.com/covid-19

High Touch Point Preventative Cleaning Program

Our Porters will:

- wear the proper personal protective equipment (PPE)
- be trained on proper disinfecting procedures
- be uniformed, FMS employees
- continuously disinfect high touch point surfaces based on a designed route

Billable rate: \$26.50 per hour includes supplies and supervision, \$250 minimum charge

Post or Suspected COVID-19 Exposure Cleaning Program

Our team will:

- be trained on the most up-to-date COVID-19 cleaning recommendations
- follow CDC post-exposure cleaning guidelines
- wear the proper personal protective equipment (PPE)
- be uniformed FMS employees

Billable rate: \$60.00 per hour includes supplies and supervision. Minimum charges may apply.

Return to Work Clean-up

When the time comes, we'll detail clean and sanitize your facility before everyone comes back to work. We'll also provide a detailed list of our work for you to share with your employees to make them feel confident they are returning to a safe and clean environment.
